

Take your brand to the next level

We are the voice of EAMs and Family Offices

Established in 2011 and recognised by the Monetary Authority of Singapore (MAS), the Association of Independent Wealth Managers (Singapore) (AIWM), represents the interests of Independent and External Asset Managers and Family Offices. We aim to foster collective efforts to further the advancement of the independent wealth management model in Singapore.

By upskilling the practitioners, promoting dialogues with the regulators, facilitating more interactions and upholding the highest standards of excellence for independent wealth management services in Singapore, we empower the community to thrive and add vibrancy to Singapore's wealth management landscape.

Our Purpose

- **Upskilling** practitioners with capability and capacity building
- **Uplifting** the independent wealth management and family office community
- **Upholding** the highest standards of excellence for independent wealth management services in Singapore
